The policy of the South African Pharmacy Council in terms of its statutory objectives to control the practice of the pharmacy profession regarding the approval of trading titles for pharmacies / providers is as follows:

- No trading title may be used which is calculated to suggest that the professional skills or ability or facilities for the rendering and supply of pharmaceutical services are superior or better than those of other pharmacies / providers.
- Trading titles which include the words, Super, Superior, etc. or words with the same or a similar meaning or connotation will not be approved.
- The duplication of pharmacy / provider titles, if such pharmacies / providers do not have the same owner, will not be approved where such titles refer to pharmacies / providers situated in the same geographical area, e.g. town or city.
- In situations where similar names are requested but the pharmacy / provider is situated in another town or city the applicant concerned must obtain the
  permission of the owner of the pharmacy / provider with the similar title to enable him/her to use such similar title. This provision is included in order to avoid
  confusion.

ADOPTING AND USING A TRADING TITLE FOR A PHARMACY / PROVIDER WITHOUT THE PRIOR WRITTEN APPROVAL OF COUNCIL IS DEEMED TO BE UNETHICAL OR UNPROFESSIONAL CONDUCT
