

Dear Pharmacist Intern,

EXTENSION: LATE BOOKINGS FOR PRE-REGISTRATION EXAMINATION

Please note that the pre-registration examination is scheduled for Wednesday, 10 November and Thursday, 11 November 2021. The examination will be conducted remotely as follows:

Date	Time	Sections	Duration
10 November 2021	9h00 - 11h00	Calculations	2hrs
11 November 2021	9h00 - 11h30	General	2h30min

It is compulsory for all interns to write both sections of the paper on the specified days. Failure to comply with this requirement automatically renders an intern unsuccessful in the examination.

Interns who are rewriting the examination for the second or subsequent attempt must write both sections of the examination, regardless of whether they were previously successful in either subsection.

NB!!! Entrance requirements for the Intern Pre-registration Examination are as follows:

- *Interns writing the exam for the first time must be in their sixth (6th) month of internship and must submit at least six (6) CPD entries online and be competent in at least three (3) entries. The tutor must have submitted three (3) progress reports (i.e., the 12 and 24 weeks progress reports).*
- *Interns in their ninth (9th) month must submit six (6) CPD entries and be competent in all six (6) entries. The tutor must have submitted four (4) progress reports (i.e. 12, 24 and 36 weeks progress reports).*
- *Interns attempting the examination for the second or subsequent time must be competent in all six (6) CPD entries to be allowed to sit for re-examination. The tutor must have submitted the relevant progress reports according to the intern's date of registration.*

Late bookings for the examination have been extended to Sunday, 07 November 2021, however, a late booking fee of R1 113 is payable.
