

## SAPC e-Note: WEBINAR ON PHARMACIST SCOPE OF PRACTICE

Dear Pharmacist,

### SAPC e-Note: WEBINAR ON PHARMACIST SCOPE OF PRACTICE

The South African Pharmacy Council (hereafter “Council”) received queries regarding the provision of services related to the scope of practice of pharmacists in facilities that are not registered with Council.

On 14/15 May 2025, Council resolved that pharmacists are permitted to offer acts or services related to their scope of practice outside of a pharmacy, except for the selling of medicines.

The SAPC will host a webinar for all pharmacists on **Tuesday, 18 November 2025, at 19H00 – 20H00**. The webinar will cover the following topics:

- a) Acts specifically related to the profession of a pharmacist;
- b) Scope of practice of a pharmacist; and
- c) *Rules relating to the services for which a pharmacist may levy a fee and guidelines for levying such fee or fees.*

The webinar will be held via Microsoft Teams and streamed to the OfficialSAPC YouTube Channel. Join the webinar on Tuesday, 18 November 2025, at 7pm through any of the following details:
