

SAPC e-Note: PUBLICATION OF NON-PRACTISING PHARMACISTS ON THE SAPC WEBSITE_Erratum

Dear HOPS, Pharmacist, Tutor & RP,

SAPC e-Note: PUBLICATION OF NON-PRACTISING PHARMACISTS ON THE SAPC WEBSITE

In terms of Section 3 of the Pharmacy Act, 53 of 1974, the South African Pharmacy Council (hereafter “Council”) is mandated to uphold and safeguard the rights of the general public to universally acceptable standards of pharmacy practice in both the public and private sectors.

In accordance with [Board Notice 201 of 2019](#), all registered pharmacists are required to record a minimum of six (6) Continuing Professional Development (CPD) activities annually. The *Guidance Document for CPD* further indicates that every person registered in a category subject to CPD recording must annually declare whether they wish to be designated as practising or non-practising.

On 14/15 May 2025, Council resolved to publish the details of all non-practising pharmacists on the SAPC website, as part of the Council’s ongoing efforts to improve transparency and access to information regarding persons authorised to practise within their registered scope.

For ease of reference, Council’s definition of “non-practising” is provided below:
“Non-practising” means the designation on the applicable register indicating that the registered person is currently not providing one or more of the services, or performing one or more of the acts, pertaining to the scope of practice of the category in which he or she is registered, or does not intend to provide such services or perform such acts.

Please [click here](#) to visit the SAPC website where you can download the list of non-practising pharmacists as at **22 July 2026**. To search the SAPC Register to verify the registration and designation of practising persons who have access to services and/or acts that are regarded as acts specially pertaining to pharmacists, please [click here](#).

Please ensure that you verify the registration and designation of registered persons timeously to ensure that only practising pharmacists are employed at your facility.

Yours sincerely,

Vincent Tlala
Registrar/CEO
