

SAPC e-Note: Reminder: Only 2 Days Left to Secure Early Bird Registration for the 4th National Pharmacy Conference

Dear Pharmacy Professional/Stakeholder,

Only 2 Days Left to Secure Early Bird Registration for the 4th National Pharmacy Conference

The South African Pharmacy Council (SAPC) would like to remind the profession and all stakeholders that there are only **two (2) days** left to secure the Early Bird Registration rate for the 4th National Pharmacy Conference (4th NPC), with the Early Bird period closing on **Sunday, 31 May 2026**.

Delegates who selected the instalment payment option for the Early Bird registration are strongly encouraged to ensure that their registration fees are paid in full by the closing date to retain the discounted Early Bird rate.

Please note that registrations with outstanding balances after 31 May 2026 will automatically be moved to the Standard Registration category, resulting in the loss of the Early Bird discount.

We encourage all delegates to finalise their payments as soon as possible to avoid disappointment and secure their place at the discounted rate.

We look forward to welcoming you to the 4th NPC.
